About the Hosts

Arent Fox – Legal Counsel to the Life Sciences Industry

[Arent Fox](#) understands the competitive environments, underlying technologies, and confidentiality issues associated with life sciences products and research. We work with life science companies through all stages of the product life cycle – from scientific breakthrough, through product development and production, to distribution and post-marketing issues. Our clients range from entrepreneurs and startups to Fortune 100 companies, including drug, medical device and cosmetic companies, health care providers, food, seed companies, universities, pesticide and industrial chemical producers, as well as innovators in biotechnology, nanotechnology, biologics, vaccines, telemedicine, and other emerging technologies.

Kaiser Associates

[Kaiser Associates](#) is a global strategy consulting firm specializing in organic and inorganic growth strategy. We help leading Pharmaceutical, Medical Device, and Health Technology companies evaluate emerging growth opportunities, navigate changing markets with greater certainty, and acquire with confidence. Kaiser works with Executives, Corporate and Business Development, and Marketing Strategy teams throughout the acquisition lifecycle – from strategy and target prioritization, to commercial due diligence, to commercial execution, and life cycle management.
