In addition, Mike routinely advises clients on public company disclosure and compliance, executive compensation, stock plan design and administration, technology contracting and licensing, and representation of early stage companies. Mike was previously a Partner at Posternak Blankstein & Lund LLP.

Client Work

- Advised numerous technology entrepreneurs in the formation, financing and operation of their early stage businesses in software, consulting, media, healthcare and financial services.
- Advised BrandMuscle, Inc., a SaaS marketing solutions company, throughout its life-cycle: from founding through venture financing to private equity buyout.
- Assisted Revenue Solutions, Inc., an IT consulting firm, in submitting winning RFP bids and negotiating over \$1 billion of state and local government contracts nationwide.
- Represented Park Street Capital in a series of "funds of funds" to invest over \$2 billion in venture capital, buyout, natural resource and other private equity funds.
- Represented The Holmes Group, a consumer appliance manufacturer, in the acquisition of The Rival Company by tender offer, including over \$400 million of high-yield bonds.
- Represented LabVantage Solutions Inc., a laboratory informatics provider, in over \$100 million of cross-border financing from Goldman Sachs Specialty Lending Group.
- Advised public companies in all aspects of securities law compliance, including their dealings with insiders, investors, analysts, regulators, and the media.

Publications, Presentations & Recognitions

- Co-presented workshops on "Cybersecurity and Corporate Governance" with a former NSA executive at the National Association of Stock Plan Professionals annual conference in September 2019, and at the Global Equity Organization regional conference in October 2019.

Co-authored the article "Cybersecurity and Corporate Governance. Critical Questions Public Companies Must Answer," Morgan Stanley, July 2019.

- Presented on the use of SEC Rule 10b5-1 for stock diversification at the 2018 and 2019 MyStockOptions.com conferences for financial planning professionals.
- Served on the drafting committee for the ABA Federal Regulation of Securities Committee's comment letter to the SEC on the Dodd-Frank Wall Street Reform Act.
- Appeared over a dozen times around the country at the annual conference of the National Association of Stock Plan Professionals, where he has presented workshops on insider trading, equity plan design, and SEC developments.
- Partnered with Morgan Stanley on a novel survey of Rule 10b5-1 trading plan design and administration.
- Co-presenter of the webinar "The Trump Administration and Compensation: How the New Administration Seeks to Change the Rules," National Association of Stock Plan Professionals, June 2017.
- A frequent speaker at other legal and industry conferences on the topics of executive compensation, the IPO process, and securities law compliance.
- Recognized by *Massachusetts Super Lawyers every year from 2004 – 2018*.
