Previous Work

Prior to joining Arent Fox, Megan was a commercial transactions and entities associate at a Delaware-based law firm. There, among other things, she drafted and negotiated UCC perfection and entity opinions, financing statements, security instruments, and formation documents for Fortune 500 companies and other US and foreign clients in transactions including: international legacy airline financings; refinancings of two international restaurant franchises and an international entertainment conglomerate; a hedge fund acquisition of a national retail chain; Shari'ah-compliant real estate acquisitions; private equity firm acquisitions in multi-level financings of 900+ property portfolios; and multi-iteration REIT financings.
