## What are the Scholarship Program's goals?

The Scholarship Program is part of our effort to increase diversity at the Firm and in the legal profession. Since 2006, we have annually awarded a scholarship to law students in our Washington, DC and New York office. In 2008, we started the Scholarship Program in the Los Angeles office. Last year, we awarded a scholar in the San Francisco office. The award includes a position in the Firm's Summer Program.

## Who is eligible to apply for the Arent Fox 2L Diversity Scholarship?

Candidates must be in good standing at an ABA-accredited law school in the US. We encourage students who are members of a diverse population that historically has been underrepresented in the legal profession to apply.

## What is the actual scholarship award?

The Arent Fox Diversity Scholarship includes a \$20,000 award and a salaried summer associate position. The \$20,000 scholarship will be paid in two installments: \$10,000 during the student's second-year summer and another \$10,000 payable when the student returns to Arent Fox as an associate after graduation.

## Which Arent Fox offices participate in the scholarship?

Los Angeles, CA; New York, NY; San Francisco, CA; Washington, DC

## May I apply to multiple offices?

No, you may only apply to one office.

## I am an evening law student. Am I eligible to apply for the scholarship?

Yes, if you are considered a second-year law student and have two summers before graduation.

## I am interested in the Arent Fox Diversity Scholarship, but I am not a member of a minority group. May I still apply for the scholarship?

Yes, Arent Fox defines diversity broadly to include all groups that have been historically underrepresented in the legal profession.

## Are split summers allowed?

We do not allow split summers for our scholarship recipients.

## I do not currently have an undergraduate or law school transcript. May I submit an unofficial copy with my application?

Yes. You may submit an unofficial undergraduate transcript. Law school transcripts, official or unofficial, must be submitted as soon as they are available. Electronic versions are the preferred method.

## What if I have problems opening up the links or attachments?
